SENIOR

SOUTHERN HIGH SCHOOL
LOTHIAN, MARYLAND

1966

There are many things to be said of time and of life. The hour glass, the age-old symbol of time, reveals some of the secrets of both. As the sand flows from the past to the present, from the present to the future, it discloses the constancy of life. Life, in turn, is similar to the flowing sand; it is deceptive in its slowness, it continues incessantly, it stops for no man. Each grain of sand symbolizes a moment in our lives; each has meaning according to the value of the moment. Like the sand, these moments pass all too quickly, never to be relived, only remembered.

The 1966 yearbook staff presents ECHOES, our attempt to capture and hold the moments that will linger most memorably in the hearts and minds of the students of Southern.

To everything there

To a nice guy, Good luck to you and

A time to show our gratitude;

a time to express

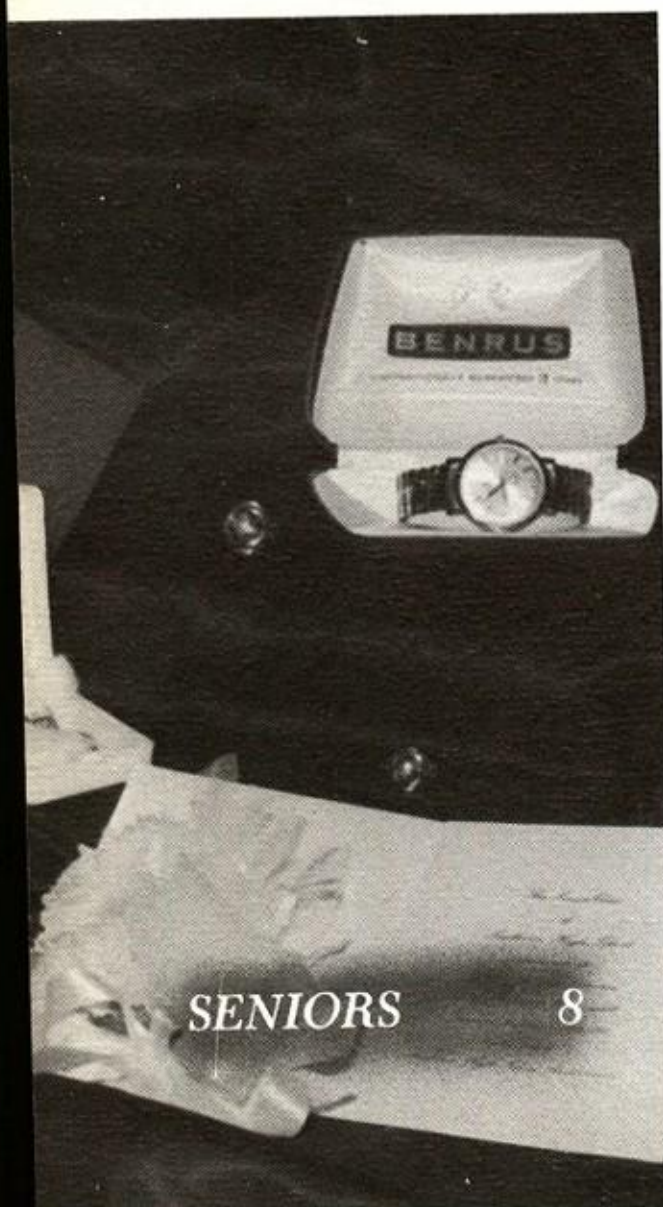

As a small token of our inexpressible gratitude and the gratitude of countless other students who have passed through these doors, for your 25 years of unfailing service and for your dedication to Southern High School, the class of 1966 dedicates this volume of ECHOES to you, Mrs. Glorious Shenton.

Faculty

A teacher is the foundation of learning

F. Markham Wingate
Principal

Schools are constantly concerned with self-evaluation. An area of great concern deals with the school's ability to get young people to accept responsibility. Sometimes, as teachers, we unrealistically set standards that we ourselves fail to attain in daily performance. We condemn students for selecting their leaders on a popularity basis, when we often do the same ourselves. This is not an appeal for student self-pity -- nothing is ever

more self destructive. Each new generation has the right to expect more exacting demands -- this is the nature of progress. This is an appeal to our generation to teach through our actions, more than words, when we strive to inspire our youth to greater heights. Finally, let us remember that there is no catalyst more potent in the affairs of man than due praise that has been justly earned.

Cheerleaders

The cheerleaders are the foundation of the school spirit at Southern. They take an avid, personal interest in our various teams and lend their always welcome and unfailing support whenever needed.

Coaches

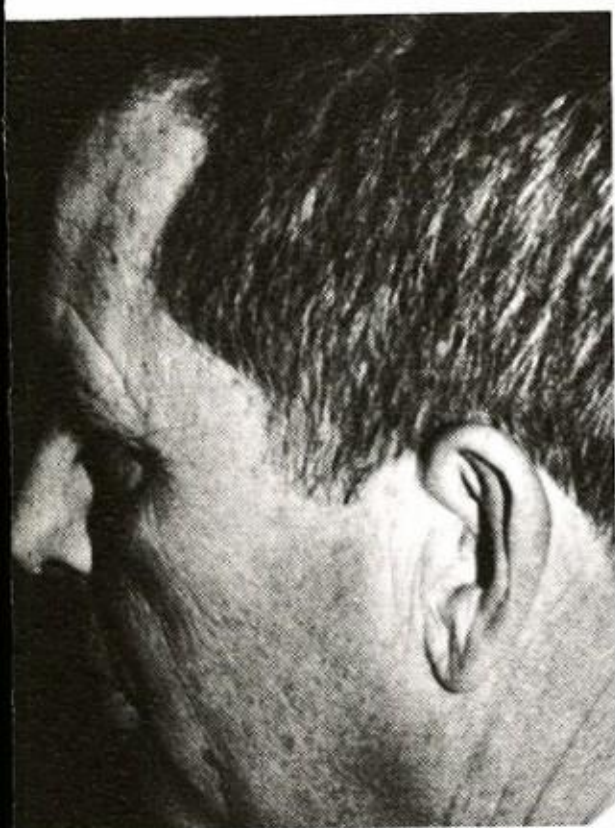

Mrs. Stacey is a graduate of Southern and came back as a student teacher three years ago. Since that time she has assumed the responsibility of the girls' JV basketball team coach. She has been coaching for two years and in that time has gained the teamwork that made for two highly successful years

Mrs. Papetti is the girls' varsity basketball coach. She has increased the interest in girls' sports at Southern within the last few years. This year her team is well on the road to another victorious season and county title.

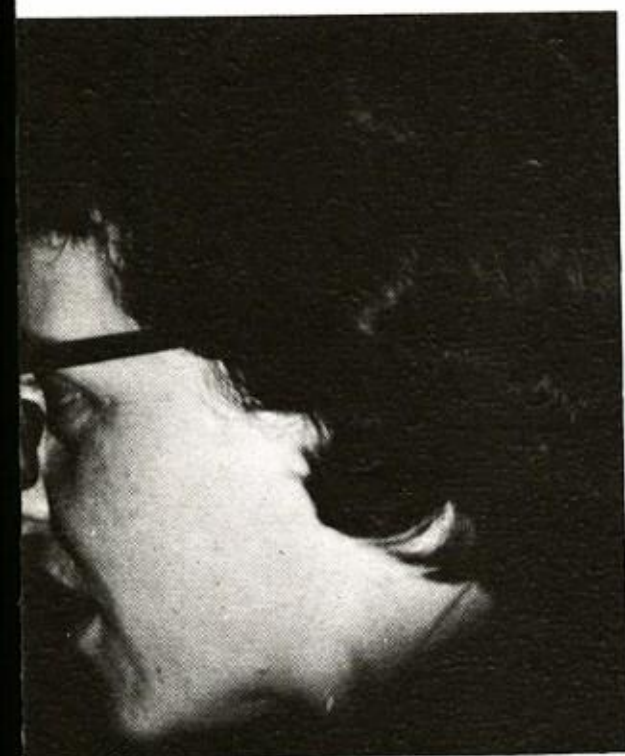

This year marks the third year Mr. Terishinski has been the coach of the Southern Bulldogs football team. His perpetual interest and enthusiasm has brought them a long way in three seasons. He has also done a great deal for the cheerleaders. Through his excellent work with sports, Mr. Terishinski has become an outstanding citizen and is loved and respected in his community as well as here at Southern.

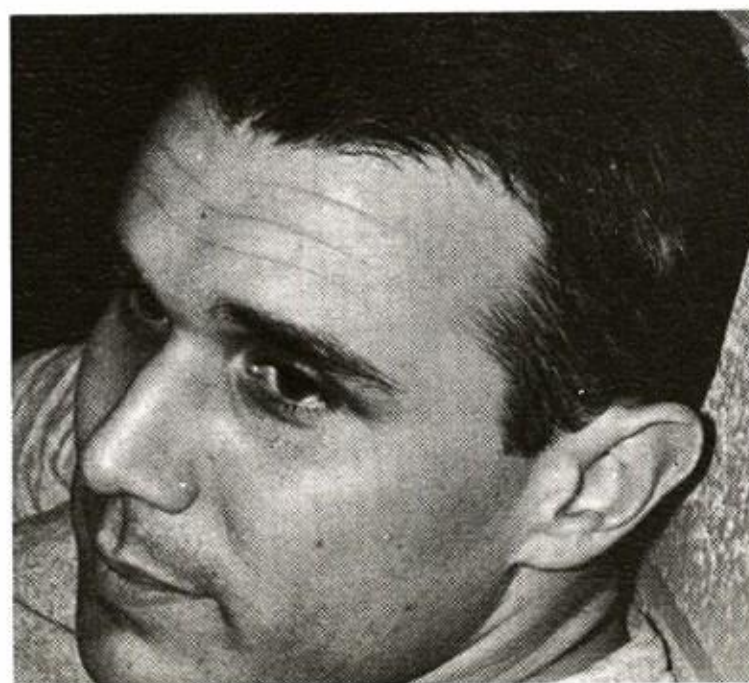

Although not new to Southern, Mr. Hardison is new to coaching this year. His interest in football led him to assume the duties of coach of JV football and his time and effort was certainly appreciated.

Mr. Albright has been with Southern for six years and has taken on many responsibilities having to do with the sports program, including the Boys' Varsity Basketball coach. His ever-ready encouragement has brought the team through many tough games. Mr. Albright has been athletic director for 4 years and has the heartfelt thanks of Southern's entire student body for his patience and interest in our program.

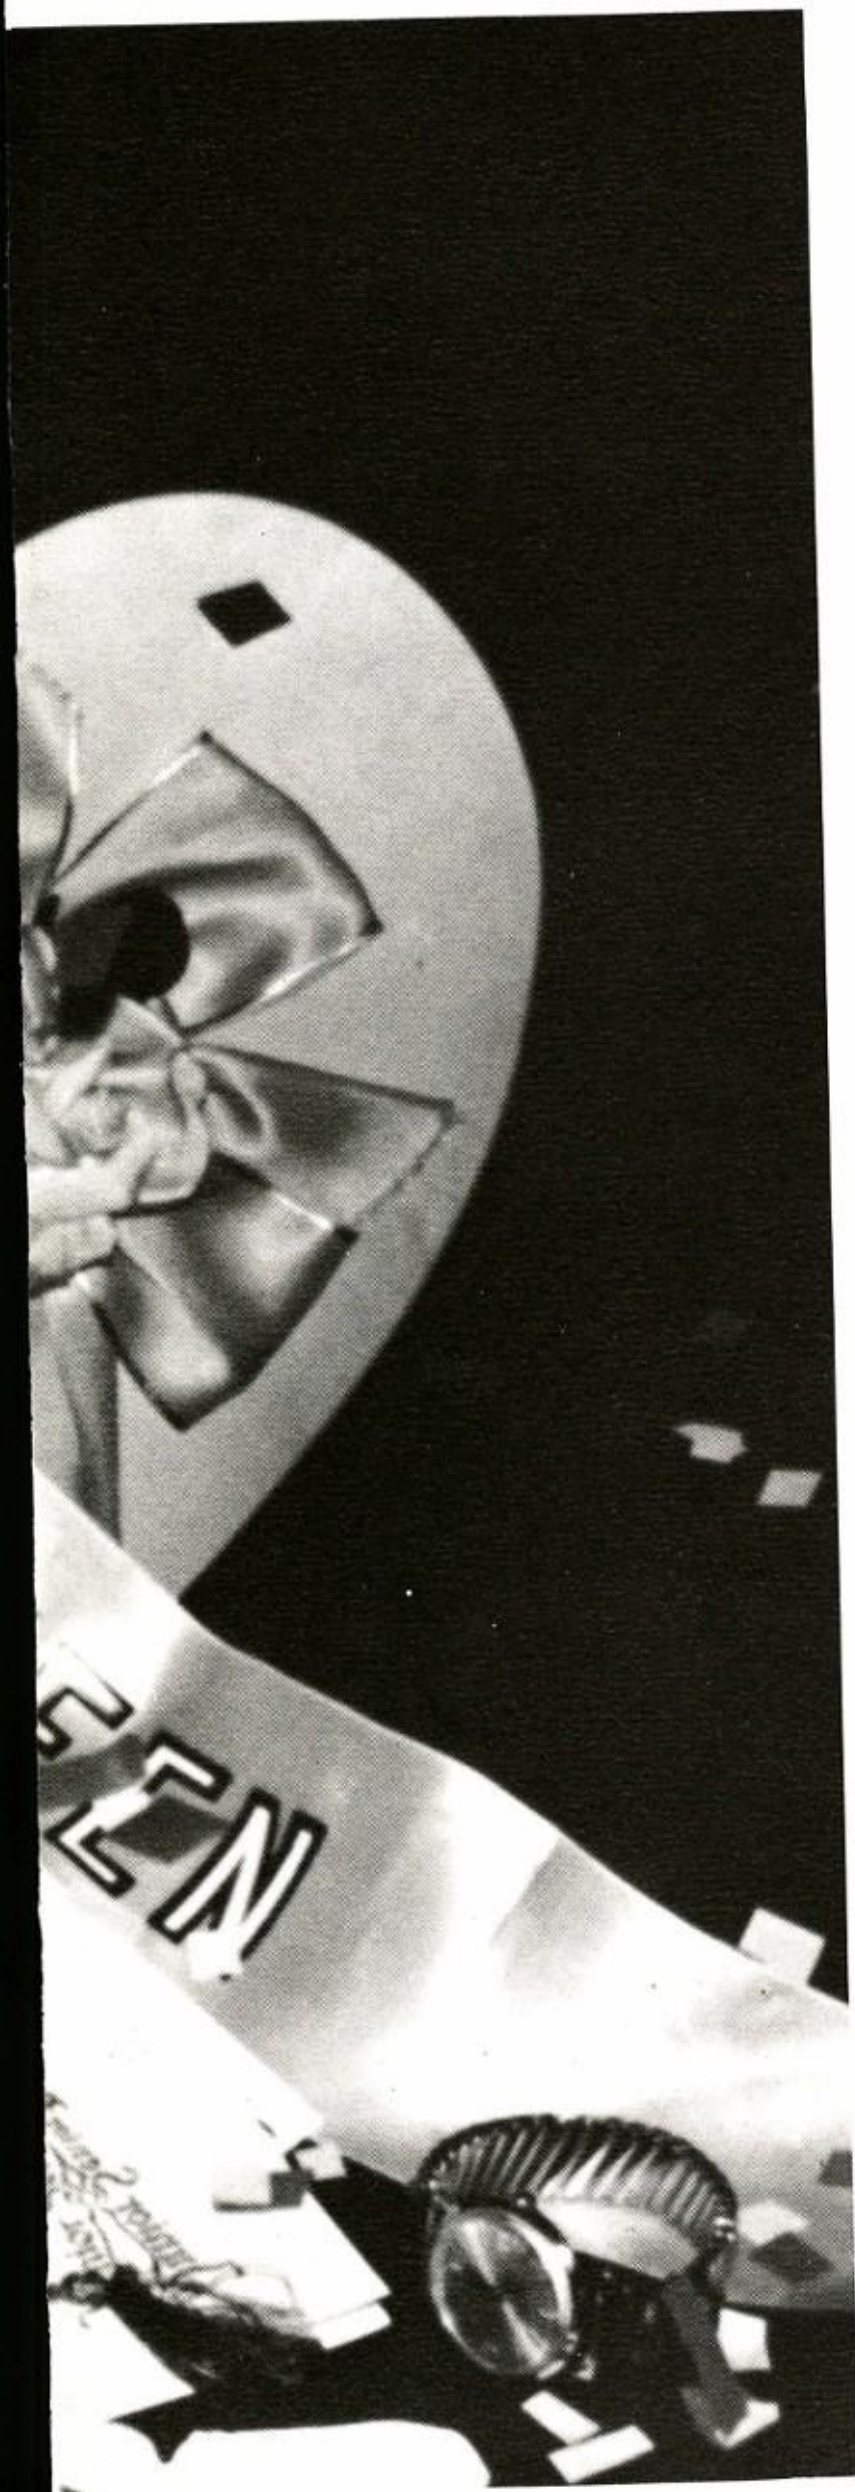

Mr. Redman is new to Southern. He has turned out a hard-working JV Basketball team. These boys greatly appreciate the interest Mr. Redman is taking in them and are proving it by winning quite a few of their games.

In the past few years wrestling has been gaining popularity at Southern. Credit for this increasing interest is due to the guidance of Mr. Paul Hunt. This year the team has showed remarkable improvement and is determined to perform well at the county tournament.

Organizations

Student Council

This year's Student Council worked hard to fulfill its duty as the voice of the student body and as the most important service organization at Southern. Among the council's most outstanding projects was the purchase of a new and badly needed public address system. Of special delight to the students was the addition of music during lunch, the annual talent show, and buses to many sports events. Christmas baskets for the needy and a collection for UNICEF comprised their charitable activities. The Council also began a safety council, revised the constitution and sent delegates to the CRSC.

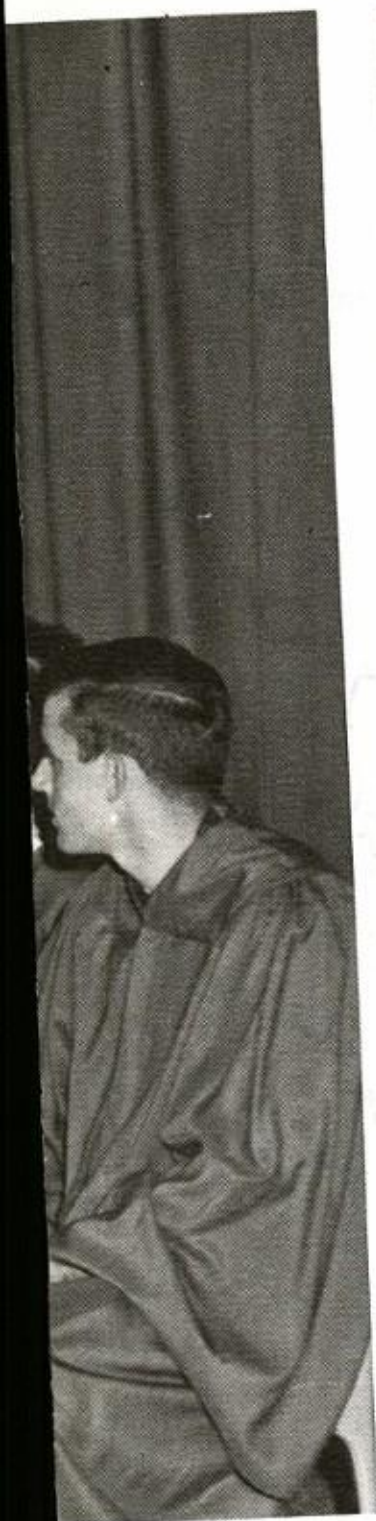

OFFICERS: UPPER LEFT (SEATED); Mary Tod Hartge, Treasurer; Larry Raley, President; Elizabeth Krams, Secretary; Billy Raley, Vice President.

National Honor Society

HONOR SOCIETY: UPPER LEFT; Teddy Gott, Charles Zeleski, Trisha Hartge, Alfreda Parker, Ruby Smith, Silva Kajzovar; Miss Klaas, Advisor; Mary Tod Hartge, Jackie Wingate, Anne Fowler, Cecelia Petro, Dennis Liddy. OFFICERS: UPPER RIGHT; Mary Tod Hartge, Secretary; Jackie Wingate, Treasurer; Ruby Smith, Vice President; Silva Kajzovar, President.

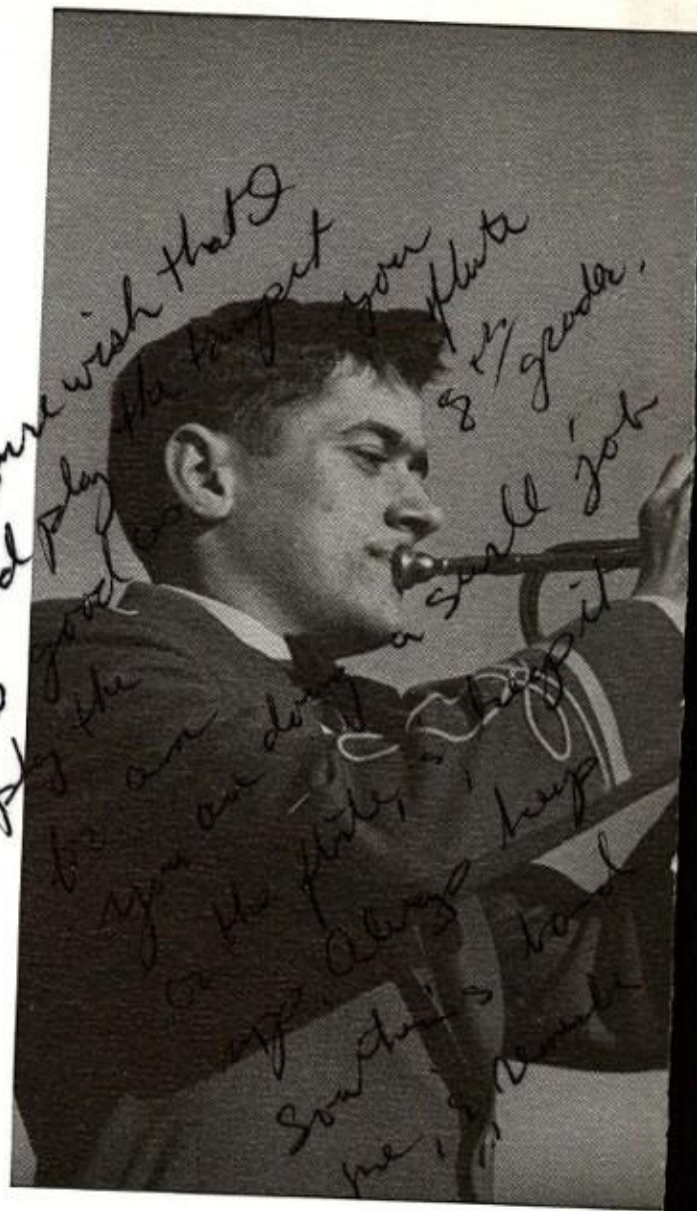

The NHS has undertaken several noteworthy projects this year. Among them were a bake sale, a Christmas book drive for the needy, an annual scholarship award, the NHS induction ceremony, and the book fair.

Southern High School has long boasted a band, but recently the band has taken its place as one of Southern's most important service organizations. The band took part in the Band Day at Maryland University and played at all of Southern's home football games. Recently a small group of band members organized a pep band to play at Southern's home basketball games. The band performed at the Thanksgiving Assembly, the Christmas Concert, and the Spring Concert under the direction of Mr. William Taylor.

SOLIST: UPPER LEFT, BAND: EXTREME LEFT, BASKETBALL BAND: UPPER RIGHT, OFFICERS: RIGHT.

Future Farmers of America

The FFA is one of Southern's oldest organizations. Throughout the years they have proved to be helpful in many areas. Distributing Christmas baskets to needy families is one of their annual services, this year being no exception. The FFA also held its annual banquet, chose a sweetheart and sponsored the always popular donkey basketball game. A bake sale and the National FFA Convention in Kansas City, Missouri, rounded out their activities for the year.

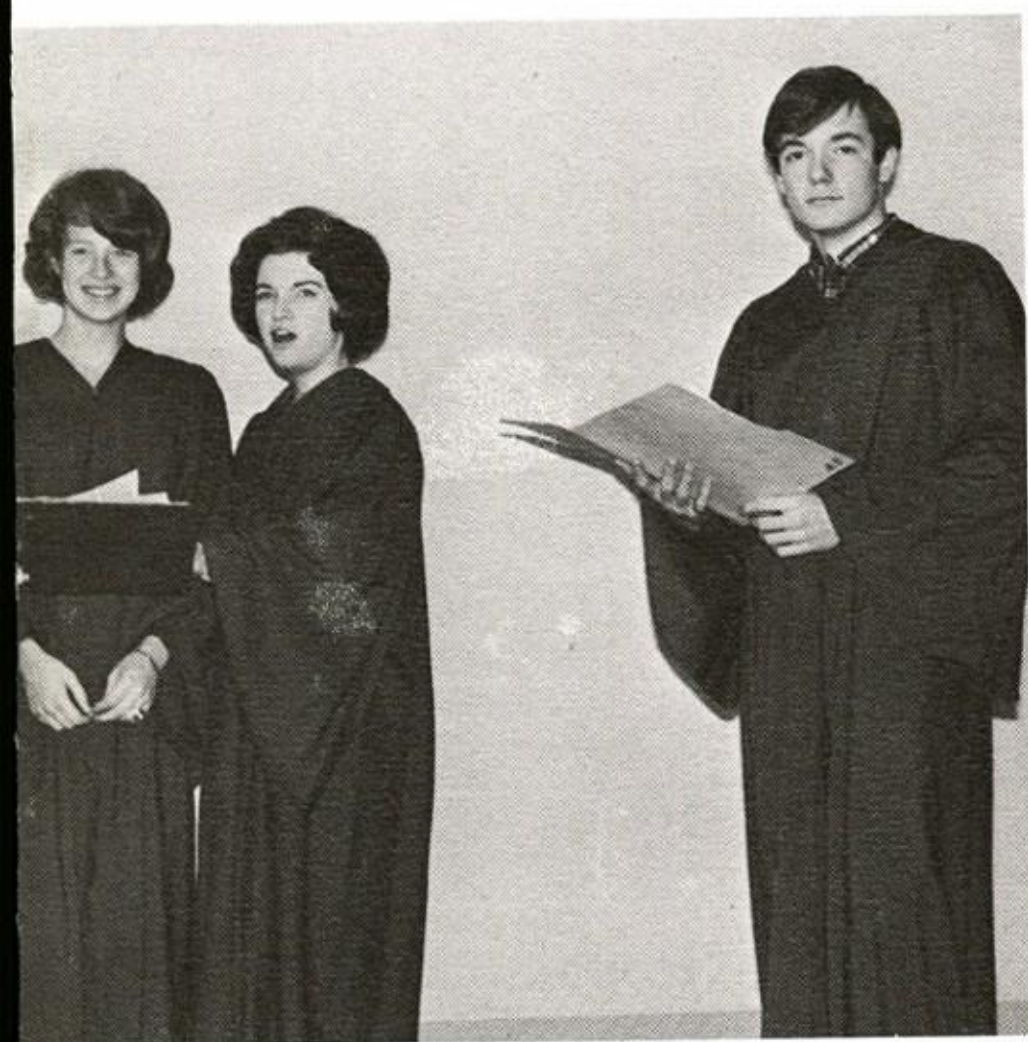

Future Teachers of America

The Future Teachers of America strives to interest and inform prospective teachers. This year to raise money for their scholarship, the F.T.A. sponsored a bake sale, a car wash, and sold sweatshirts. Mrs. Stacy is their advisor.

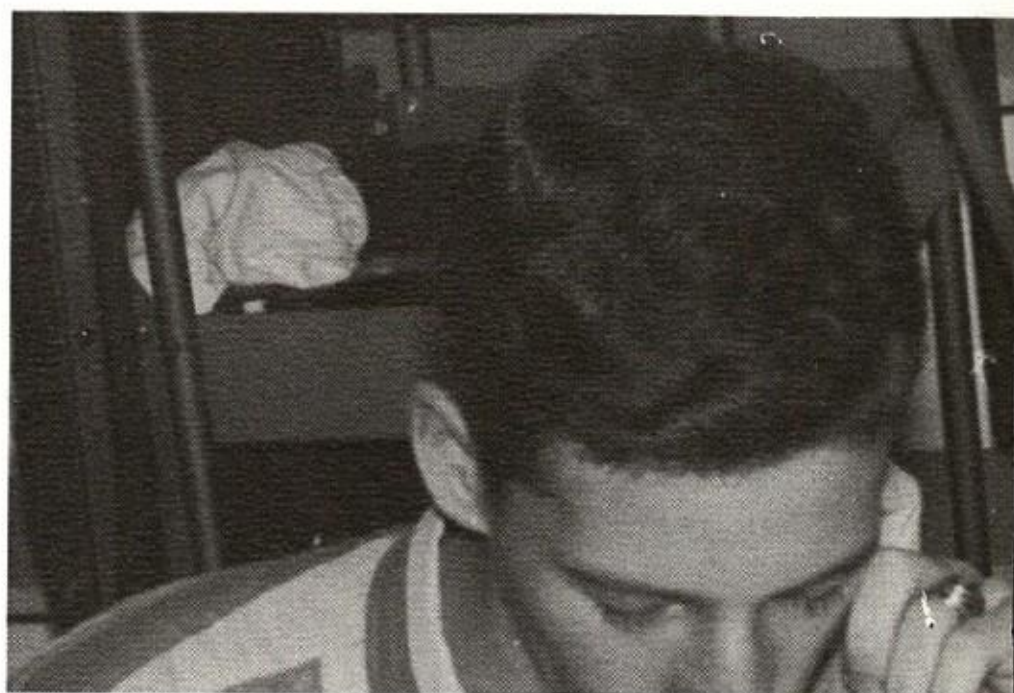

Chorus

The Senior Chorus welcomed a new director this year, Miss Cora Harris. Under her direction, the chorus took its part in Southern's various concerts throughout the year and attended the Maryland State All Choral Day at Maryland University. The Junior Chorus, a new and welcomed addition to Southern, has contributed greatly to the music department. The Junior Chorus is under the direction of Mr. Stouder.

Echoes Staff

The 1966 ECHOES Staff has improved their facilities for producing a yearbook as well as the book itself. Obtaining the old bookstore, the staff went to work painting. With the addition of curtains and a bulletin board they were really ready to get down to business. In addition, and for the first time in many years, the darkroom was repainted and replenished and put to good use. The result was a more pleasant and efficient atmosphere in which to work.

Future Nurses of America

Future Nurses of America is an organization for girls who are interested in entering the field of medicine. This year, the girls in the F.N.A. took turns going to the local health clinic where they helped for half a day. Mrs. Mary Brewer is their advisor.

Horizons Staff

The Southern Horizons has made great strides in the past two years. Under the supervision of Mrs. Margaret Andreozzi, the paper was revived and has since then progressively improved. The school as a whole has truly benefited from its existence.

Future

Homemakers of America

The Future Homemakers of America is organized to teach girls the fundamentals of home-making. Mrs. Klein and Mrs. Weatherly advise the senior high and junior high groups, respectively.

Clubs

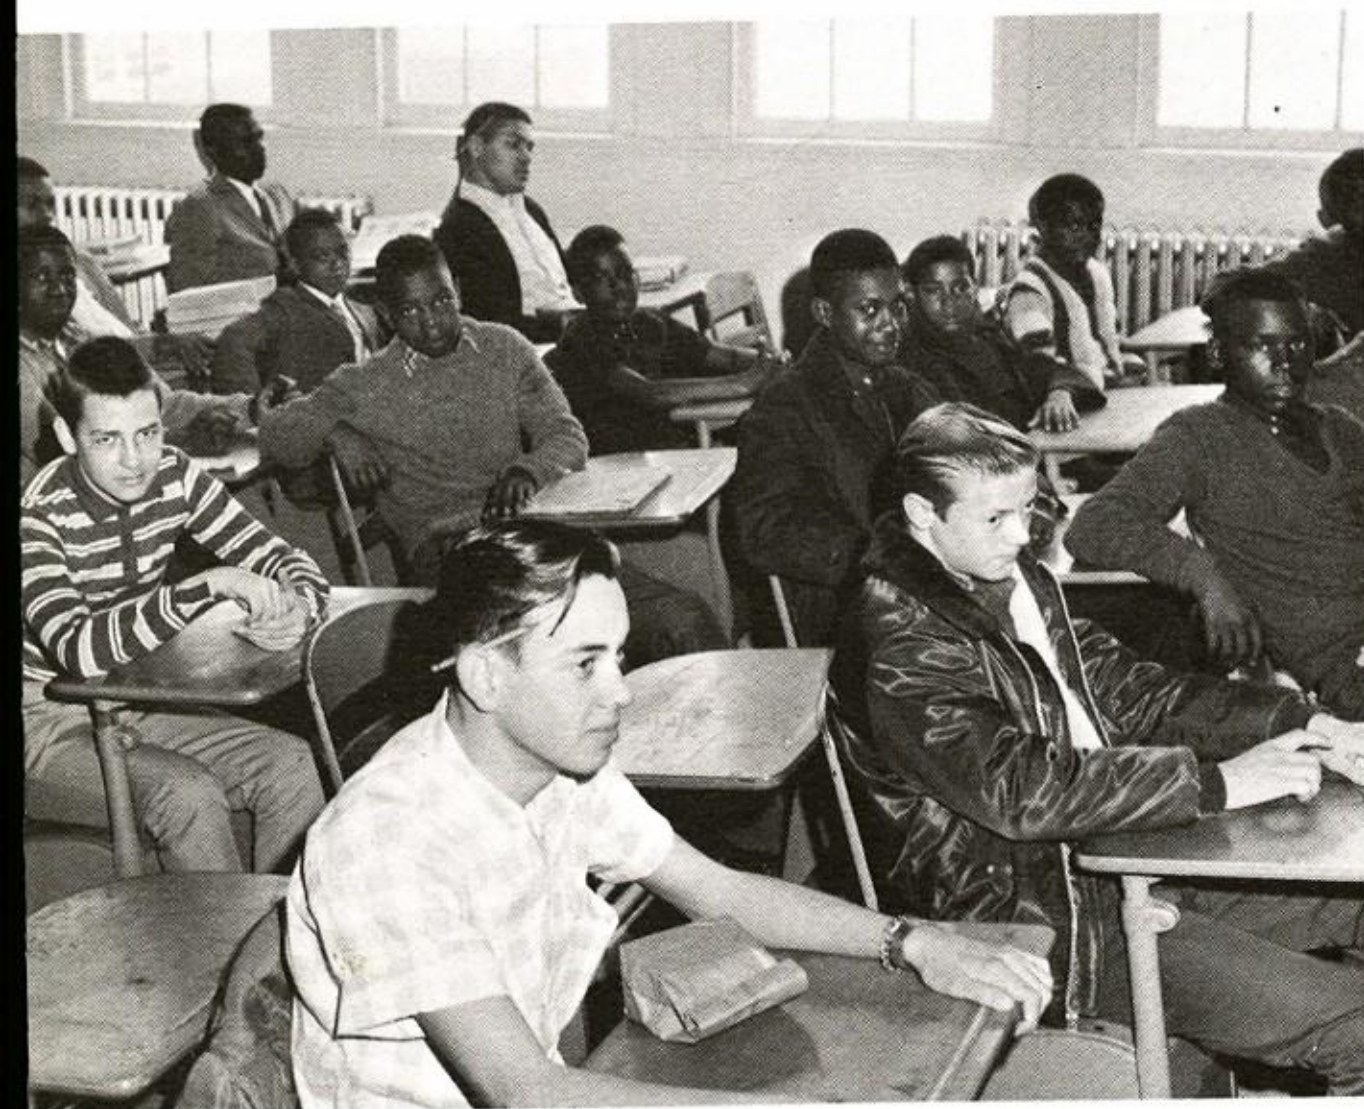

Pep Club

School spirit is the first consideration of the Pep Club. The members help maintain enthusiasm in Southern's athletic events. This goal is demonstrated by the pep posters throughout the school. Boosting school spirit in general and insuring new cheerleaders for the coming years, are also among their services. UPPER LEFT, Sr. High Pep; UPPER RIGHT, Jr. Pep.

Chess Club

Chess clubs have always been popular at Southern, this year being no exception. Jr. High Chess, under the direction of Mr. Hopkins, gives boys a basic knowledge of the game. Sr. High Chess, under the direction of Mr. Bond instructs its members on the finer points of the game. LOWER RIGHT, Sr. Chess; LOWER LEFT, Jr. Chess.

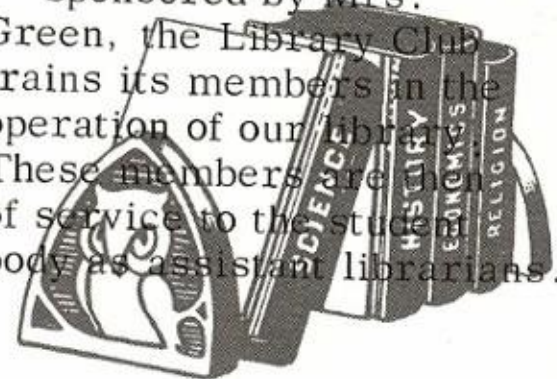

Stamps and Coins

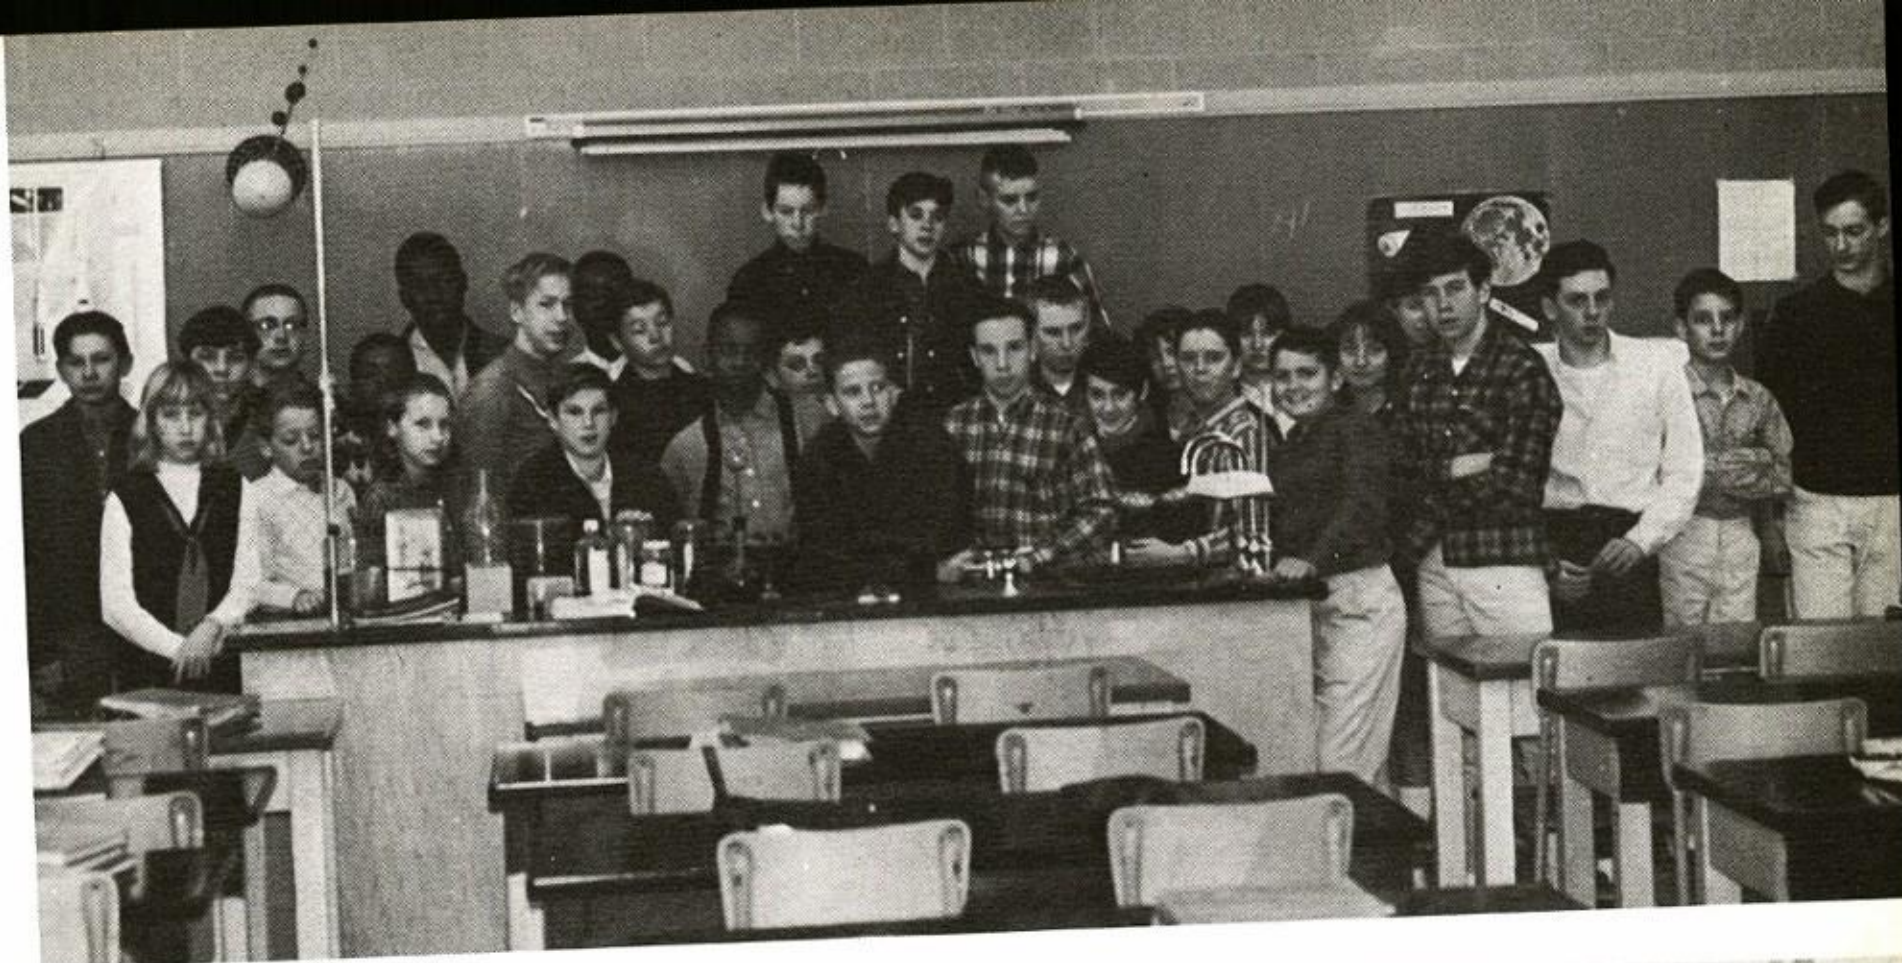

Stamp and coin collecting are two of the most fascinating hobbies the world over. Southern's branch of this hobby is sponsored by Mr. Hunt. Through this club its members have gained a better and deeper appreciation of stamp and coin collecting.

Library

Sponsored by Mrs. Green, the Library Club trains its members in the operation of our library. These members are then of service to the student body as assistant librarians.

Science

Studying the fundamentals of science and educational film programs are among the activities of the Science Club. Experiments relating to the club's discussions are often performed to illustrate scientific laws and theories. This club promotes greater understanding and knowledge of this vast field. TOP, Science Club.

Model Airplanes

The Model Airplane Club was organized this year for those boys who are interested in assembling models of various types of planes. Under the direction of Mr. Smith, it has been widely accepted and has taught the boys many valuable lessons about their hobby. ABOVE, Model Airplane Club.

Newspaper

Much of the work for Southern's Horizons is undertaken by the members of the Newspaper Club. This is a good training program for the incoming Horizon's Staff, which will be able to produce an even better paper due to its previous experiences. ABOVE, Newspaper Club.

Wrestling

Wrestling is becoming an increasingly important part of the sports program at Southern. The Wrestling Club, under the guidance of Mr. Wingate, teaches its members the fundamentals and techniques used in this game. RIGHT, Wrestling Club.

Needlework

Knitting and crocheting are among the things the girls in Needlework Club are taught. Under the direction of Miss Klaas, these girls are rapidly mastering these fine arts. ABOVE, Jr. High Needlework; RIGHT, Sr. High Needlework.

Majorettes

The Majorette Club was organized to teach interested girls the basics of baton twirling and formation marching. Mrs. Lenweaver is their sponsor. Majorettes, ABOVE.

Gardening

Gardening is a new club this year. Sponsored by Mrs. Renkiewicz, the girls are trained in the art of attractive, artistic floral decorations. This club has been especially popular among the Junior High. Gardening, RIGHT.

Varsity Club

This club consists of boys who have earned athletic letters. The Varsity Club promotes better sports and encourages participation. The comprising of a constitution and purchasing new jackets were their activities for the year. Varsity Club, ABOVE.

Visual Aids

The Visual Aids Club is perhaps one of Southern's most useful organizations. Its purpose is to train boys to operate various film projectors. This skill proves itself to be very helpful when a film is to be presented during class. Visual Aids, RIGHT.

History Club

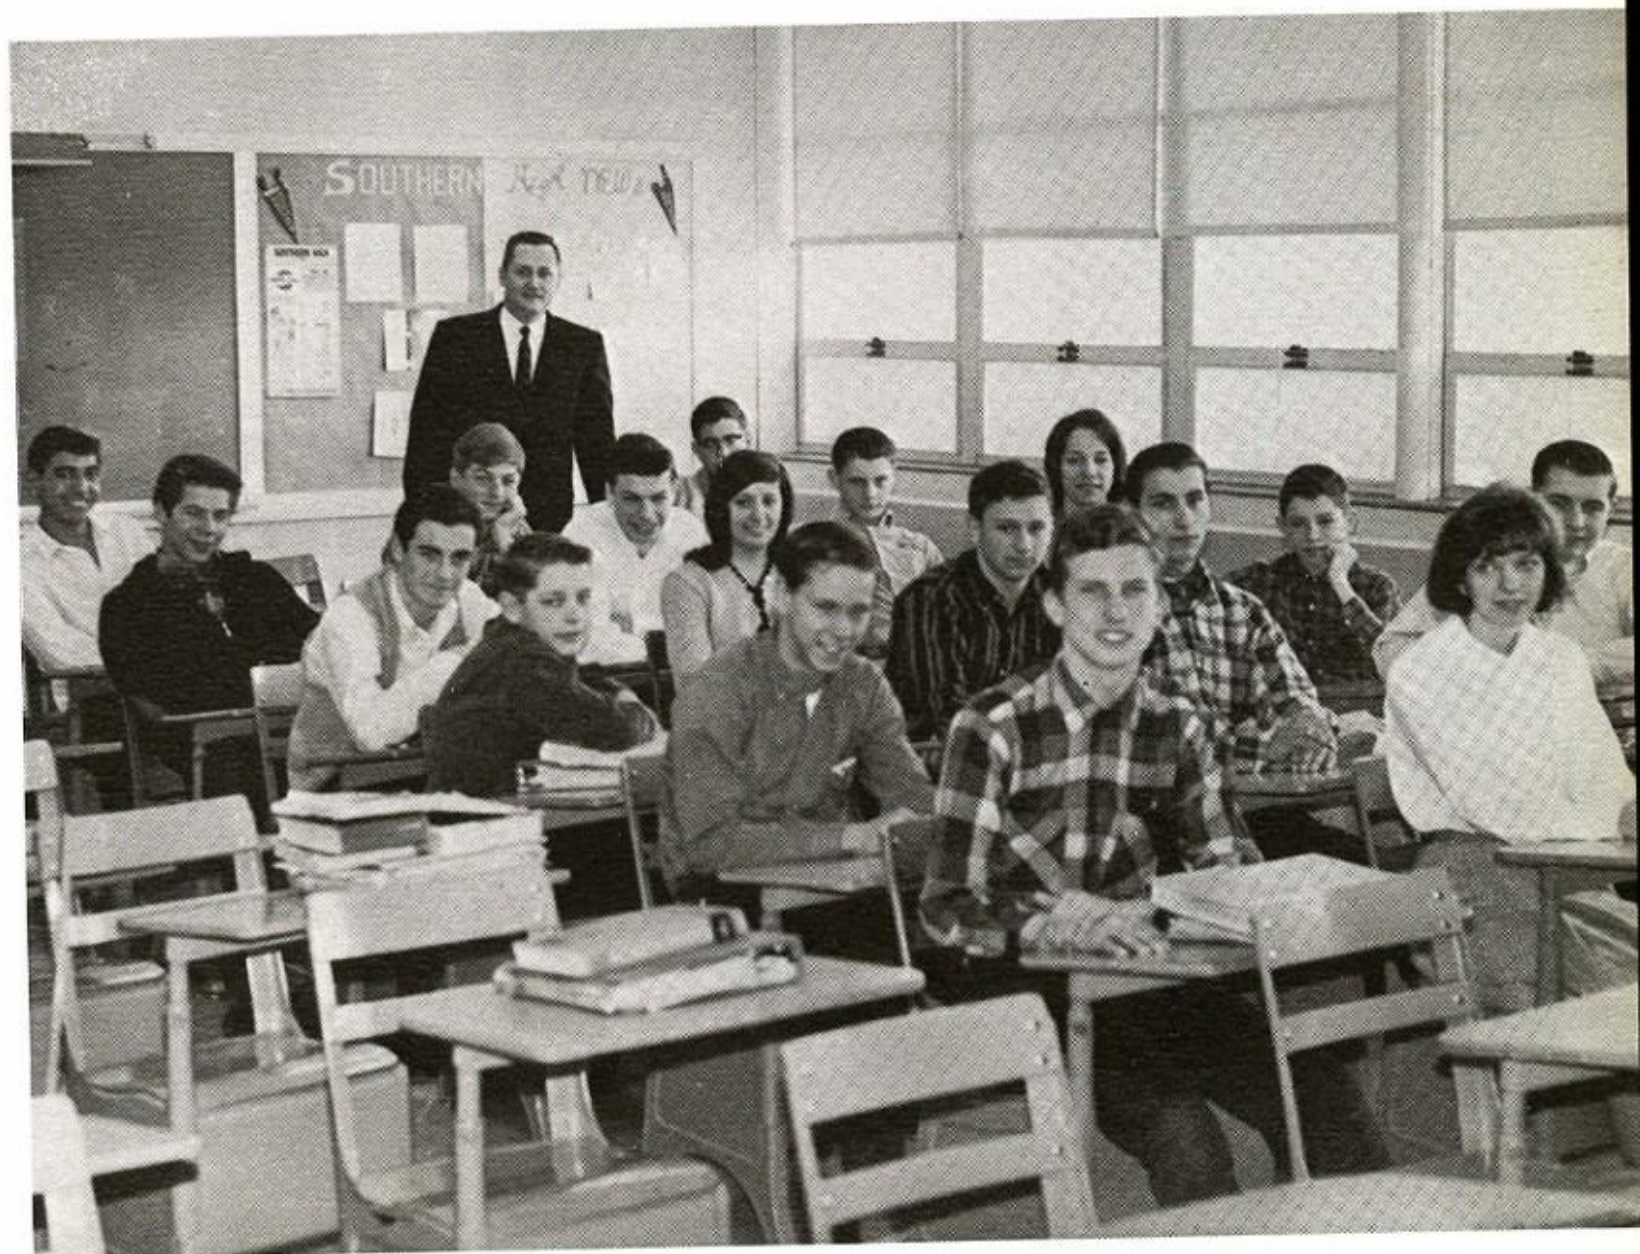

The History Club studies the history of the world from World War II to the present time. The club period includes lectures and movies on that period of history. A movie on Winston Churchill's role in world history, and a trip to Washington, D.C. to visit the Museum of Natural History, the Smithsonian, and the National Cathedral were among the highlights of the year. Jr. History, EXTREME TOP RIGHT; Sr. History, EXTREME LOWER RIGHT.

School Arts Display

The School Arts Display Clubs are new to Southern this year. The clubs are primarily responsible for decorating the various bulletin boards throughout the school. These clubs are under the direction of Mr. Owings and Miss Wimer and are to be commended for a fine job. Jr. High Arts, TOP RIGHT; Jr. High Arts, BOTTOM RIGHT.
